Padlet #1: What concrete steps have you taken to plan your McKinney- Vento Program?

Develop relationships with organizations that will support homeless students- churches, thrift stores, backpack club

Monthly meetings with ESSA community members to discuss resources - post resources to our website; secure website email to request help

Housing Questionnaire is part of our registration packet

continue to train teachers and staff

Check-In with all MV Families to identify needs and any changes in housing

Meeting with Grant Director for the 23-24 school year

Annual training for clerical staff, social workers and counselors about McKinney-Vento

Budget meetings to discuss how to allocate funds for our McKinney Vento families. End of year calls to each family to determine needs for the summer as well as housing status.

Summer- we will call each family and check in on their housing status for the 23-24 school year.

Created google drive for liaisons in each of our 8 locations that includes resources, google form for data entry, laws, protocols

Our district has a housing questionnaire for families to fill out

Meeting monthly at the schools to help identify needs

Meet with staff and administration to explain what is MV , how it protects students
